Dear Sir:

The Notice of Allowance mailed November 28, 2005 has been received for the above-captioned case.

Applicant is filing the following reference to satisfy their duty of disclosure:

	<u>Patent Number</u>	<u>Issue Date</u>	<u>First Named Inventor</u>
1.	US-6,738,205	09-1999	Mull et al.

This filing is not intended to represent that the above listed patent is material to patentability as defined in 37 C.F.R. §1.56. Rather, Applicant does not believe that the listed patent affects the patentability of the claims in the above captioned application. However, Applicant offers that the reference, though cumulative and not considered to be of particular relevance, may fall under the duty of disclosure; therefore, Applicant is filing this IDS. Applicant understands that the IDS will not be considered, but will be placed in the application file.

No fee is believed due in connection with this paper. However, the Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account No. 06-1325 for any matter in connection with this response.

Respectfully submitted,

Date: 2/25/06
